

**City of Los Altos/Los Altos School District Public Lands Subcommittee Meeting
September 9 2015
Meeting Notes**

Attendance

LASD Board and Staff attendees: Vladimir Ivanovic, Tamara Logan, Jeff Baier
City Council and Staff attendees: Jan Pepper, Jeannie Bruins, Marcia Somers

Agenda Items

1. Review Notes from August 11, 2015 Meeting
The subcommittee had several changes to the meeting notes, all of which were made (see revised notes).
2. Review and Discuss the City's Assessment of the Civic Center Site
 - The City presented two options for the Civic center site: (1) LASD leases the site; City Hall and the Police Department move to a new location, and (2) Co-locate LASD with City Hall and the Police Department.
 - A third option was offered: LASD and the City share a new, multi-story, multi-use building.
 - All three options address the District's enrollment growth projections and provide permanent accommodations for BCS.
 - The subcommittee discussed several issues with the Civic Center site, focusing mainly on Option #3, which included compatibility of use, traffic, safety, and use of recreation fields.
3. Assess and Compare the Four Potential Sites
 - The Subcommittee identified these three options as the most feasible: (1) Covington options #2 and #3, (2) Egan options #2 and #3, and (3) Civic Center option #3.
 - The Subcommittee decided to initiate additional analyses on the three options, which includes a traffic analyses and architectural draft drawings.
4. Prepare for the Next meeting
 - The City will take the lead in conducting the traffic analyses.
 - The District will take the lead in contacting the architectural firm and connecting them to City staff for consultation on the draft drawings.
 - The City will provide specifications of the Civic Center site, including police access and parking requirements.
 - District and City Staff will meet to plan how the additional analyses will be conducted and the timeline for completing it. The next Subcommittee meeting will be scheduled accordingly.
